Luxury Vinyl Tile Plank and Herringbone Collection

Elegance Röyale ⁵⁵ COLLECTION

Each Elegance Royale Plank has been skilfully created using a new super matt technology (Gra-Matt™Ultra) that makes the floor visually closer to natural wood, unlike many other glossy LVT products. Each design accurately mimics the texture of natural timber while incorporating multi-tonal variance to give your herringbone floor realistic character and depth.

All designs are available in herringbone and full planks

Herringbone

Keep your floor looking beautiful

The Elegance Royale collection is designed to withstand the demands of their intended environment with their built in resilient wear layer and PU surface treatment. We do however recommend the following floor care products. All floorcare products are available at a discounted rate when purchased with any Elegance Royale LVT product.

Dr.Schutz Floorcare Kit

Optimal care set with everything needed to keep your floor in immaculate condition, even in the most demanding areas such as hallways, bathrooms & kitchens. Enhances the floors anti-slip properties with a natural matt care film that does not alter the appearance of your floor, with a special cleaner to maintain and ensure long-life of your floors for many years to come.

Best selling scratch removal kit for repairing damage to Vinyl, Luxury Vinyl Tile (LVT) and other Design flooring.

Includes PU Repair Spray for fine scratches, PU Repair Pen for mending deep scratches, as well as a range of accessories with instructions for use.

Not Included in the Dr.Schutz Floorcare Kit*

ScratchFix Repair Set

Floor Cleaner R1000

Cleans, protects and adds safety to your flooring in one step. Enhances the anti-slip properties, creating a water-soluble protective film which fulfils DIN Norm 18031 for sport floors and is ideal for use after application of hard sealers or polishes such as Floor Shine or Floor Mat.

Floor Mat

Ideal for maintaining LVT and other vinyl floors at home. Protects with a natural matt care film that does not alter the floor's appearance. Reduces resoiling and makes day-to-day cleaning easier.

Clean & Strip

A super efficient, yet mild special cleaning agent to remove the remains of old care products, scuff marks and stubborn stains as well as adhesive residue on newly installed or heavily soiled vinyl, lino, rubber and resin floors.

Kingship Oak

Floorcare

We want your new Elegance Royale floor to continue to look as good as the first day it was installed, so to help you achieve this we have laid out the following floorcare guidelines. Each product in the this collection features a polyurethane (PU) treatment within a hard-wearing surface providing protection against everyday wear, ensuring optimum long-term performance of your floor. Furthermore, our Elegance Royale collection does not harbour dust mites or bacteria making it ideal for the home environment.

Floorcare instructions for domestic interiors:

Initial cleaning after installation. Avoid walking on the floor for at least 24 hours following completion of installation. Sweep or vacuum to prevent loose dirt or grit from scratching the floor. Polishing your floor can be beneficial to help prevent slight surface scratches and to provide further protection.

Day to day cleaning Sweep or vacuum the floor to remove loose dirt, grit or dust. Regularly mop the floor evenly using clean mops and neutral cleaning solutions, diluted to the manufacturer's instructions. Collect any excess liquid in a mop bucket. Rinse the floor with clean water and allow to dry.

Regular cleaning is more beneficial to the floor covering and is more cost effective than occasional heavy cleaning.

Install barrier mats at entrances to pick up grit and moisture. (Note, some rubber-backed mats may discolour the floor). Insert protective pads and cups under furniture to protect your floor from indentations and scratches. Remove spillages as quickly as possible to reduce risk of staining and causing slip hazards. Regularly trim pets claws as these can cause fine scratches.

Do not use abrasive liquids or metal scouring pads as these can damage the floor. Avoid cleaning the floor with solvents, caustic detergents, washing up liquids, soap powders, bleach, furniture polishes, petroleum based products, pine gels, stain removers or highly coloured products. Such products may make the floor slippery or cause permanent damage. Avoid dragging furniture with unprotected feet across the floor. Regularly trim pets claws as these can cause fine scratches.

For commercial floorcare instructions, contact your supplier for more details.

Guarantee

The Elegance Royale collection of luxury vinyl tiles has been developed to meet the highest technical specification of its type. Ideal for all areas of the home, the products ensure high performance and optimum style. Compared with many alternative flooring options, Elegance Royale will under normal conditions resist household stains, will not crack, chip or splinter. The manufacturers of Elegance Royale are confident that the high quality products will provide many years of valuable service. All products purchased from the range are guaranteed for 10 years in commercial interiors and 15 years in domestic interiors against normal wear and tear in the recommended environment, provided that they have been fitted correctly and maintained in accordance with the manufacturer's instructions. Full terms and conditions of the guarantee are available on request from your flooring provider.
